From (Name) R.G.Grieve Esq.; M.A.,F.R.G.S.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras

LAW (EDUCATION) Department.

Sir,

In submitting herewith the letter of the ~~Secretary~~ Secretary, South Kanara District Teacher-Managers' Association, dated 11th February 1927, regarding additional allotment of the teaching grants for 1926-27, I have the honour to state as follows:-

The association requests to place additional funds at the disposal of the District Educational Council, South Kanara, so as to sanction teaching grants at least in the current year without reduction. The District Educational Council supports the proposal.

3. In 1926-27 certain District Educational Councils demanded additional teaching grants but with reference to

the funds available and taking into account the demands of the District Educational Councils a sum of Rs 112160 was sanctioned to this Council in G.O.No. 1879, Law (Education) dated 4th October 1926. The amount thus sanctioned represented an increase of 9.4% over the allotment made in the previous year. Subsequently some District Educational Councils represented that the grants disbursed in 1926-27 were inadequate and the payment of a further additional allotment to a few District Educational Councils was sanctioned in G.O.No. 405 Mis. Law (Education) dated 22nd March 1927 according to the funds available. This council was granted a sum of Rs 15040/- .

4. In the current year's Civil Budget Estimate there is a provision of Rs 42.30 lakhs towards the payment of teaching grants to District Educational Councils. This would be sufficient to meet the current year's demands, and the District Educational Councils have been asked to report their requirements.

5. In the circumstances explained above, I do not recommend the payment of additional allotment to the District Educational Council, South Kanara, out of the current years allotment to meet the demands for the last year. Attention is in this connection solicited to G.O.No. 952 Law (Education) dated 13th May 1927.

Sir,

Subject:- Teaching grants for 1926-1927

Reduction Representation.

On behalf of the Association , I have the honour to submit the following representation.

1. That the South Kanara District Educational Council at its last meeting held on 31-1-'27 finding that the funds were not available for the full payment of grants has resolved to pay only proportionately reduced grants for the current year.

2. That such reductions have been going on now for some years to the discouragement of the aided agencies which being highly economical to Government have always uniformly co-operated with Government in the breaking down of illiteracy.

3. That during the last two years the Government and Department of Education have repeatedly requested to the aidded private agencies to open new schools and to extend the existing schools and have repeatedly held out inducements in the way of enhanced teaching grants

4. But that the Government and the Departement and the Council have been repeatedly paying the reduced grants and thus has taken away with one hand what it wanted to give with the other with the best of intentions.

P.T.O.

5. That already the opening of the New privately aided Schools has suffered both in numbers and efficiency.

6. That, therefore, the Association earnestly appeals to the Government that immediate arrangements may be kindly made to place at the disposal of the South Kanara District Educational Council during this very current-year sufficient additional funds for the payment of grants due according to the calculations made under the rules framed by Government and thus allay the serious discontent existing among the private aided agencies.
